Awesome Kramobone Playroom School,

An Adult Consent Thought And Practices Resource

<http://AwesomeKramobonePlayroom.School/BasicHumanNeeds/>

Dear Williamson County Sheriff, My name is James Martin Driskill. I am a former inmate of the Williamson County Georgetown Jail. I have some very important and disturbing items to report what I had observed in my 58 day stay. Matters I am reporting must be taken into review and made corrected. I will not accept any barriers that break that resolve. These matters were placed into the written record on the information system tracking provided by SmartJailMail. Anyone is welcome to look up what I placed. Inmate Booking# is 21-192333. Written Out both to staff through reequists and to my family in email. The circumstances I observed are considered extremely serious and disturbing. The jailhouse building facility has been modification outside of orginal operation specification. The purpose to which these modifications have been made of a future time plan is sinister and dangerous to deductively conclude. This matter can not be ignroed. This matter can not be tollerated to continue one moment longer than humanly possible to fix. The modifications made are intentionally malicious of a use for future time. As it sits now, would FAIL INSPECTION of the FIRE PROTECTION system. Outrageous! A Hate Incubator is What You Are Operating!
